Mickfield Bring & Share BBQ

The weather was superb from start to finish! The 100 Board proved popular with winners being The Oaks, Apiary House and Reeve & Co. Congratulations to you all.

The Silver Leaf contributed raffle prizes - some lovely home-made goodies and the star of the show was the beautifully decorated cake. The children were entertained by our local hero, Rex Garrod. A big thanks to him. The bonfire was much enjoyed into the late evening by children and adults alike.

To all those that put in so much effort, you know who you are.
THANK YOU
