SEPTEMBER 2012
NO. 102

From St Andrew's - Harvest

Thanksgiving on **Sunday 23rd September at 6pm**, with the usual Harvest hymns. This will take place after the Silverleaf Tea in the afternoon. Thanksgiving ceremonies and celebrations for a successful harvest are both worldwide and very ancient. In Britain, we have given thanks for successful harvests since pagan times. So let us in Mickfield celebrate this day by singing, praying and decorating our church with produce. Any contributions of produce would be welcome and we would appreciate it being brought around to St Andrew's no later than 10am on **Friday 21st September**. Look forward to seeing you there.

Parish Council News - Davina Lynk

The Mendlesham REP "a proposed straw-powered electricity generating plant" application is still with Planners and looks to be a lengthy process. As soon as we have further news, we will update here.

The Meadow is still not finished as the gardening services that were to quote have still not done so. We hope to move this forward at the next meeting.

The Mickfield Village website is still running albeit a bit behind schedule. Many thanks to Rachel Turner for her hard work setting it up. Unfortunately, her time is no longer available to include this due to work and home commitments, so I have undertaken it in the short term. It will take me considerably longer than Rachel as I am no computer wizard! I will do it slowly but will advise once completed. It will also have details of Planning Applications that affect Mickfield Village on the Planning Page.

The Mickfield Treasure Hunt and Cream Tea-
2.30pm Sunday 23rd September 2012

This fun event gives you the opportunity to discover the hidden stories of Mickfield's past and present. The team treasure hunt will invite you with friends and family to follow progressive clues around the village. After all that treasure hunting activity come and enjoy your reward of a cream tea provided by Silverleaf. Maps and clue sheets will be provided at 2.30pm on the day with the team who scores the most points winning a prize.

To PAUL and TINA TRICKER and their sons TOM and JOE who have taken on Meadow Cottage. At present Paul's work as an oil geologist with Shell means that they are mainly in Egypt but with planning approval for their proposed development of Meadow Cottage we hope to see them around while the building work proceeds. They are interested in Mickfield history and hope to make some recognition of the building's original use as the School in their alterations.
