News from the Parish Council

The Mickfield Burial Ground looks to be resolved with the current status quo being maintained. The various volunteers who look after it at present will continue to do so. We are just awaiting confirmation that this is acceptable to Stonham PCC.

We have been advised that the Straw Burning Incinerator application for Mendlesham Airfield is likely to be resurrected in the New Year. To this end, Mike Heyhoe attended a public meeting in Mendlesham to gain further information. It would appear to be the same application of a couple of years ago. We will keep you updated.

With June being the Queens' Diamond Jubilee, we have received one or two proposals of events to hold to commemorate same. Again we will update as soon as possible.

On behalf of Mickfield Parish Council, may I take this opportunity to wish you all a Happy New Year.

Davina Lynk

Chair, Mickfield Parish Council

Next Meeting

News from Silverleaf

The Over 60s Christmas lunch was very much enjoyed by all with nearly thirty people attending. Entertainment was provided by the Stonham Aspal Primary School choir who sang Christmas Carols. Look out for more events in the New Year. The Silverleaf Committee wish you all the best for 2012.
