- **Remembrance Sunday**
On the 13th November the annual Remembrance service will take place when we read out the names of those who served in the two world wars and some more recent. The 11.11.11. theme will be included.
- **St Andrew's Day**
On the 30th November we celebrate St. Andrew's Day with Evensong at 6pm followed by a Chapter Meeting to hear a report on the Church last year and bring ideas for next year!
- **Choir and worship team**
The choir and worship teams are growing from strength to strength but there is always room for more if you are interested in joining us.

News from the Parish Council

- **Village Meadow**
The area of the Meadow which was to be the Bike Park for the children which was theirs to use and maintain, has unfortunately, now become overgrown and unusable. We have been considering an area with fruit or native trees that can be used for children and adults alike with a bench/table. We would be able to source the trees free of charge and maybe get someone to do the labour as a Community Project.
Have YOU any other ideas for use of this land?
Please let us have your input by Monday 14th November.
- **Mickfield Burial Ground**
There is discussion underway with Stonham Aspal Church regarding the maintenance of the burial ground. Although it has been maintained by Mickfield residents for over 20 years, Stonham would like us to take it on in a more formal way. This will be discussed in more detail at the next Parish Council meeting. Please let us know what you think.
- **Queens Diamond Jubilee—June 2012**
Would you like to see Mickfield celebrate it in a whole village event? Maybe incorporate with the BBQ? Suggestions are most welcome!
